All members	In progress ▾	Choose the main theme for UI Figma	Completing all the UI required for an app

Summary

- All members base on the PA2 requirement to review a vision document and a project planning
- Completing the UI Figma on all pages is a high priority to continue the next stage.

- The next sprint will be started from Nov 15, 2024 to Nov 22 and all members should be aware about the deadline to finish all the assigned works.
